Maria Kołaczyńska

CAREER SUMMARY

Fresh IT BSc graduate, passionate about problem solving, coding &... nutrition. Truly love to learn, I own a second degree from Medical University - MSc from dietetics. Experienced in the various student and commercial projects. I would love to join an open team to do some magic in React or Angular. Willing to develop in IT & looking for challenges in front-end applications.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Java, **Frameworks:** Bootstrap, Spring,
Other: jQuery, RWD, Sass, GIT, GULP, Ajax, HTTP **Databases:** MySQL
